

# **BL-L 1042 Promoting Sustainable Growth in the Blue Economy Program**

## **Project Manager**

**EXECUTING ENTITY:** Ministry of Finance, **Economic Development**, and Investment

**POSITION:** Project Manager/Technical Lead

**REPORTS TO:** Executive Director of the Central Executing Unit

The Project Manager is responsible for providing leadership, coordination, and guidance on all matters pertaining to the smooth administration and successful implementation of the *Promoting Sustainable Growth in the Blue Economy Program* in accordance with the procedures and obligations specified in the (*insert*) Agreement and the Project Operational Manual.

### **KEY RESPONSIBILITIES**

The primary responsibilities of the Project Manager are to:

- 1) Oversee and ensure that Program activities are being performed adequately, on schedule, and in accordance with contractual agreements including, the respective Loan Agreement, and other relevant documents such as the Program Operational Manual.
- 2) Undertake his/her work in direct coordination with the Director of Blue Economy of the Blue Economy Unit, for the technical implementation of Project activities.
- 3) Lead the development of detailed Annual Operating Plans, prior to the beginning of the project ensuring proper alignment of the budget and procurement projections.
- 4) Provide leadership in the management of the Central Executing Unit (CEU) to enable efficiency, transparency and operate effectively by ensuring:
  - i) The development and implementation of a planning and reporting framework in keeping with the requirements of the executing agency and the Bank.
  - ii) Robust internal Monitoring and Evaluation mechanism.
  - iii) A risk management framework is in place with appropriate mitigating factors to minimize such risks.
  - iv) Compliance with financial management practices and controls as required by the Bank and the Executing Agency.
  - v) Procurement practices of the project comply and are consistent with the Bank's guidelines and applicable GOB procedures
  - vi) Sound Human Resource (HR) practices are utilized in relation to the recruitment and welfare of staff in the Unit including to conduct regular staff performance appraisals and feedback following GOB procedures.

- vii) Standard administrative and operating procedures are developed, documented, and implemented as well as the conduct of periodic updates as necessary to include changes made in light of experience obtained during Program implementation
  - viii) The establishment and maintenance of an efficient filing system (electronic and paper-based) to support the needs of the Program and for posterity.
  - ix) Appropriate procedures are established and implemented for the inspection and monitoring of the work of consultants and contractors, so as to be able to certify that works and services are satisfactorily accomplished in compliance with the Terms of Reference or contract specifications and evaluate performance considering the different levels of responsibilities of the Program.
- 5) Prepare and submit reports to the Executive Director and /or Bank including:
- i) Progress to date
  - ii) Issues encountered
  - iii) Assistance / Intervention required
  - iv) Financial update re-budget and explanation for variances
  - v) Recommendations
  - vi) Evaluation of supervisees
- 6) Lead the contracting of the Program's External Auditors; ensure that adequate arrangements are made to facilitate the conduct of audits (internal and external) and that recommendations arising from them are appropriately reviewed and acted upon.
- 7) Liaise and coordinate activities with the stakeholders and or implementing Agencies for the implementation of various elements of the Program, (where applicable) and represent the interests of the CEU.
- 8) Coordinate the preparation of Terms of Reference and the recruitment of consultants/contractors or suppliers to carry out Program activities.
- 9) Monitor the deliverables of consulting services (individuals & firms) and provide the necessary feedback on a timely basis; submit appropriate written comments and recommendations to the Executing Agency and the Bank where required
- 10) Conduct periodic field and monitoring visits (where applicable) to assess the effectiveness of the implementation of various activities of the Program
- 11) Oversee monitoring and evaluation activities paying close attention to critical milestones and key deliverables and initiate appropriate and timely risk management strategy where necessary to identify and mitigate constraints and potential bottlenecks to the Program; keep the Executing Agency and the Bank informed of any mitigating circumstances and propose remedies.
- 12) Lead and/or oversee the preparation of reports, for submission to the Bank and other stakeholders as required including inter alia: (List reports) and lead the PCU team in presenting such reports.
- 13) Direct the preparation for, and hosting of, key Program events such as:
- i) Periodic portfolio review meetings between the Bank and the government
  - ii) Supervision missions and program monitoring meetings (led by the Bank)

- iii) Inspection visits by the Bank to supervise the financial management and procurement operations including conducting ex-post reviews
- iv) Mid-term evaluation
- v) Final evaluation
- vi) The Project Completion Report (PCR).
- vii) Joint review missions by the Bank and other funding and/or supervising and implementation agencies as required
