1. The United States of America, through the Millennium Challenge Corporation (MCC), and the Government of Belize (The Government) or (GoB), have signed a Compact Development Funding (CDF) Agreement to help facilitate in the development and implementation of an MCC Compact with Belize (The Agreement) in the amount of US\$10 million (MCC Funding).

2. As a first step in the development of a compact with the Government of Belize, MCC conducted a constraints analysis in early 2022. Of the five identified constraints, the Government of Belize selected the low quality of education and the high cost of electricity constraints for further development. MCC and the Government of Belize's Compact Development Team have conducted an analysis to explore the root causes of these constraints and are developing a Program to address these constraints. The Government, acting through the Compact Development Team (CDT) of the Ministry of Economic Development, is hereby issuing a Request for Proposals, following the General Procurement Notice published on May 1, 2023, in DgMarket and UNDB, among other sites.

3. Compact Development Team - Belize now invites Applications from eligible Individual Consultants to provide consulting services as Grid Code Advisor for Grid Modernisation Work

4. More details on the qualifications required are provided in the Terms of Reference of the Request for Application (RFA).
5. Location: The assignment is expected to be conducted in Belize and at the Consultant’s own facilities, as necessary.
